

Henley Fours & Eights 2020

Saturday 15th February 2020

In case of adverse weather conditions, please look at the website

www.henleyopenevents.co.uk

Follow us on Twitter: [@HenleyOpenEvents@HenleyHeadRaces](https://twitter.com/HenleyOpenEvents)

Provisional times will be posted on the website. These are subject to amendment/correction until finalised.

Prizes will be available for collection from the Chairman as soon as results are finalised.

We Look forward to having you racing with us and ask you to note the following:

PARKING : We have a £5 parking charge per car, please do CARSHARE

(Towing Vehicles, Coaches/Minibuses exempt)

A drop off facility will exist, vehicles should follow the normal traffic flow, entering behind Leander, and will exit through a different gate.

(This is a concerted effort to reduce the number of vehicles on site for reasons of space and managing ground conditions.)

DRESS :

Competitors (and their Coaches) must ensure they (their crews) are adequately dressed to remain warm and dry particularly in the marshalling area. *(You should expect 1 hour to elapse between your boating and your race starting.)*

Inappropriately dressed crews will not be permitted to boat.

CIRCULATION & MARSHALING :

The River Circulation pattern changes at 9.00am and will continue all day until 4.00pm

Competitors must be in their marshalling position 10 minutes before the start of the division.

All late arrivals will be held above the island and started at the end of that division.

Crews starting out of order may be penalised

Please refer to the Boating times issued for further guidance.

BOATING : We appreciate you being REALLY organised in the Boating Area.

Before you join the queue to boat ensure you & your boat and blades are ready to go.

FOLLOW THE BOATING PLAN AND MARSHALS INSTRUCTIONS, this will make your day run more smoothly.

CYCLING : There is to be NO CYCLING in the area of the HRR Enclosures (there will be a signed route around the back) and it is the responsibility of all Coaches and Cyclists to be considerate of all other towpath users. Please be aware that much of our towpath is fenced and narrow. Failure to adhere to this no cycling in the Enclosures risks disqualification of your crews.
